           An act relating to in-person visitation; providing a
 3
           short title; creating s. 408.823, F.S.; providing
 4
           applicability; requiring certain providers to
 5
           establish visitation policies and procedures within a
 6
           specified timeframe; providing requirements for such
 7
           policies and procedures; authorizing the resident,
 8
           client, or patient to designate an essential
9
           caregiver; establishing requirements related to
10
           essential caregivers; requiring in-person visitation
           in certain circumstances; providing that the policies
11
12
           and procedures may require visitors to agree in
13
           writing to follow such policies and procedures;
14
           authorizing providers to suspend in-person visitation
15
           of specific visitors under certain circumstances;
           requiring providers to provide their policies and
16
17
           procedures to the Agency for Health Care
18
           Administration at specified times; requiring providers
19
           to make their policies and procedures available to the
20
           agency for review at any time, upon request; requiring
21
           providers to make their policies and procedures easily
22
           accessible from the homepage of their websites within
23
           a specified timeframe; requiring the agency to
24
           dedicate a stand-alone page on its website for
25
           specified purposes; providing a directive to the
26
           Division of Law Revision; providing an effective date.

procedures. The policies and procedures must, at a minimum,

70

71

- 46 include infection control and education policies for visitors;
- 47 <u>screening</u>, <u>personal protective equipment</u>, and other infection
- 48 control protocols for visitors; permissible length of visits and
- 49 <u>numbers of visitors</u>, which must meet or exceed the standards in
- 50 ss. 400.022(1)(b) and 429.28(1)(d), as applicable; and
- 51 <u>designation of a person responsible for ensuring that staff</u>
- 52 <u>adhere to the policies and procedures. Safety-related policies</u>
- 53 and procedures may not be more stringent than those established
- 54 for the provider's staff and may not require visitors to submit
- 55 proof of any vaccination or immunization. The policies and
- 56 procedures must allow consensual physical contact between a
- 57 resident, client, or patient and the visitor.
- 58 (b) A resident, client, or patient may designate a visitor
- 59 who is a family member, friend, guardian, or other individual as
- 60 <u>an essential caregiver. The provider must allow in-person</u>
- 61 visitation by the essential caregiver for at least 2 hours daily
- 62 <u>in addition to any other visitation authorized by the provider.</u>
- 63 This section does not require an essential caregiver to provide
- 64 necessary care to a resident, client, or patient of a provider,
- 65 and providers may not require an essential caregiver to provide 66 such care.
- 67 (c) The visitation policies and procedures required by this
 68 section must allow in-person visitation in all of the following
 69 circumstances, unless the resident, client, or patient objects:
 - End-of-life situations.
 - 2. A resident, client, or patient who was living with
- 72 <u>family before being admitted to the provider's care is</u>
- 73 <u>struggling with the change in environment and lack of in-person</u>74 <u>family support.</u>
- 75 <u>3. The resident, client, or patient is making one or more</u> 76 <u>major medical decisions.</u>
- 77 <u>4. A resident, client, or patient is experiencing emotional</u>
- 78 <u>distress or grieving the loss of a friend or family member who</u> 79 recently died.
- 80 <u>5. A resident, client, or patient needs cueing or</u>
- 81 <u>encouragement to eat or drink which was previously provided by a</u>
- 82 <u>family member or caregiver.</u>
- 83 <u>6. A resident, client, or patient who used to talk and</u> 84 <u>interact with others is seldom speaking.</u>
- 85 7. For hospitals, childbirth, including labor and delivery.
- 86 <u>8. Pediatric patients.</u>
- 87 <u>(d) The policies and procedures may require a visitor to</u>
- 88 agree in writing to follow the provider's policies and
- 89 procedures. A provider may suspend in-person visitation of a
- 90 <u>specific visitor if the visitor violates the provider's policies</u>91 <u>and procedures.</u>
- 92 <u>(e) The providers shall provide their visitation policies</u>
- 93 <u>and procedures to the agency when applying for initial</u>
- 94 <u>licensure</u>, <u>licensure</u> renewal, or change of ownership. The
- 95 provider must make the visitation policies and procedures
- 96 <u>available to the agency for review at any time, upon request.</u>
- 97 <u>(f) Within 24 hours after establishing the policies and</u>
- 98 procedures required under this section, providers must make such
- 99 policies and procedures easily accessible from the homepage of

- 100 <u>their websites.</u>
- 101 (3) The agency shall dedicate a stand-alone page on its
- 102 website to explain the visitation requirements of this section
- 103 <u>and provide a link to the agency's webpage to report complaints.</u>
- 104 Section 3. The Division of Law Revision is directed to
- 105 replace the phrase "30 days after the effective date of this
- 106 act" wherever it occurs in this act with the date 30 days after
- 107 this act becomes a law.
- Section 4. This act shall take effect upon becoming a law.
